

OUR REDEEMER LUTHERAN SCHOOL *...Putting Faith in Education*

Dear Friend,

Saturday, **February 23, 2019** Our Redeemer Lutheran School (ORLS) will hold our annual fundraiser, *An Enchanted Evening*, to support our mission of providing quality education to families of all income levels. The event is an important part of ORLS not only because it is a major fundraiser, but also because it brings the community together for the common goal of supporting our children.

I am requesting your support by helping us get donations and/or sponsorship for our 2019 auction. One of the most important issues facing our nation today is the education of children. **Our Redeemer Lutheran School is a non-profit institution** that maintains a tradition of excellence by educating children in a loving environment. We have touched the lives of thousands over our 55 year history by educating toddlers through 6th grade students in the Dallas-Fort Worth metroplex.

Each year, ORLS provides scholarship opportunities to children who could not attend. This year we are proud to provide a number of scholarships to families in need. While we are privileged to provide these scholarships, we are of course charged with covering the expense of these gifts. Your **tax-deductible donation** helps us to recoup the cost of educating these children. This is an opportunity for you as an individual or a family to support our school. This is also an excellent marketing opportunity for your company, as your business name will be visible to our school and church families and friends encouraging them to frequent your place of business. We believe in supporting those who contribute to our effort in educating our next generation.

It is with hope and enthusiasm that we ask your help in making this a huge success. The proceeds collected will enable us to enhance the learning environment at ORLS in various ways. Such as: purchase a Bye-Bye-Bus (6 child stroller) for our NEW Toddler Program, purchase new basketball jerseys for our boys and girls teams, and help cover the cost of our 36 new Chromebooks. Please call (469) 939-7245 or email kayesurley@gmail.com for more information.

Sincerely,
Kaye Surley, *ORLS Auction Chair*
Richelle Steirer and Sarah Schwarze, *ORLS Co-Auction Chairs*
