HAPPY BIRTHDAY

Mieke Van Benthem – 5/12

Way to go, Teachers for the Day and Heads of School for the Day!

You all did a wonderful job keeping the school running!

From Miss McGuire, Head of School

As Head of School, I first visited the students to see if they were well behaved. Everyone was doing a fantastic job. Second, I did a fire drill. Everyone got out safely. I was able to give a proclamation to my class, to watch a movie. I also went to Hillstone for lunch, which is a fancy restaurant, and had some great food. That's about it.

See you real soon,

Erin McGuire

From Miss Clark, Head of School

Today I've kept very busy as Head of School. This morning I liked greeting students at carpool and saying hello to everyone on campus with Mr. Moss. I also delivered gift cards with Ms. Schwarze to all of the teachers and staff from our awesome WPL! The teachers were very appreciative. It was fun helping Mrs. Blackwood choose balloons for the end of the year party. We had a special weather drill and I announced it to the school. I then made sure everyone was in their safe places. My favorite things were taking pictures with Mr. Moss and having a special lunch from Norma's Café.

I enjoyed being the Head of School for the day.

Miss Clark

Thank You SO MUCH!!
